HIGH OPACITY

EXCELLENT WASHABILITY

STAIN RESISTANT

An Ultra Luxury Fragrance based 100% Acrylic Emulsion with excellent washability and good scrub resistant. It is specially formulated by using pure acrylic & high micronised pigments in order to achieve high sheen & smooth finish and stain resistance.

Type: Water Base

Usage: Can be applied on the interior surfaces, on both new and previously painted surfaces

Application: It can be applied by Brush, Roller, Spray

Surface Preparation: Ensure that the surface is made smooth and is cleaned, dry, made free from dust and other particles like grease, loose or flakes. Kamoguard Acrylic Putty can be applied to remove minor cracks and to smooth the uneven surface. Then apply Kamoprime Water based Cement Primer. For putty drying time should be 4-6 hours.

Removal of Stains: Removal of stains, fungus or algae is necessary to get the smooth finish

For Lime or Disintegrator Surface: Remove all loose and powdery material and Primer with a coat of Kamoprime Universal Primer or Kamoprime Water Based Cement Primer.

For Emulsion Surface: Remove all loosely placed particles and rub lightly with emery paper to make the surface smooth.

Waterproofing: If required use Kamoproof ALKY on the affected areas as per the product guidelines.

Caution: Not recommended to be used over Lime wash

Directions for use:

1. Apply two coats of Kamo Hi Sheen by diluting 1 litre of Paint with a maximum of 350-450 ml of water.

2. Keep an interval of 4-6 hour between the two successive coats. Additional coat is required for Dark Shades, Horizontal Surfaces like Window Top & Ledges etc.

Only for Base Paint, add colorants, colorants cost extra. 4/- NETT after tinting.
